

# Volunteer Application

Do you love the thrill of walking through history?

The museum needs people of many talents and experience. Our volunteers contribute their time and talents in many ways: greeting visitors, building maintenance and repair, archiving, research, displays, and publicity.

Please complete this application and leave it at the desk or submit by email if you would like to be part of this important preservation project.

## Job descriptions-

- Greeters work one day per week, preferably 2 per shift.
- Hours are usually 10-3.
- Greeting visitors, providing an overview, directing them to interesting artifacts. Sell gift shop merchandise. Insure visitors sign the book and hopefully make a donation.
- Or use a skill for one time or ongoing projects.
